

Finished size

A diagram illustrating the relationship between 'Finished size' and 'Safe Area'. It features a large blue-outlined rectangle representing the 'Finished size' and a smaller green-outlined rectangle inside it representing the 'Safe Area'. The 'Safe Area' is positioned in the top-left corner of the 'Finished size' rectangle. The text 'Finished size' is written in white on a blue bar at the top-left of the blue rectangle. The text 'Safe Area' is written in white on a green bar at the top-left of the green rectangle. The word 'Front' is written in large black font at the bottom-left of the blue rectangle.

Safe Area

Front

Finished size

The diagram illustrates two nested rectangles. The outer rectangle is defined by a blue border and is labeled 'Finished size' in a blue header bar at its top-left corner. Inside it is a smaller rectangle defined by a green border, labeled 'Safe Area' in a green header bar at its top-left corner. The 'Safe Area' is positioned such that it leaves a margin from the bottom and right edges of the 'Finished size' rectangle. The word 'Back' is written in large black font in the bottom-left corner of the 'Finished size' rectangle.
